

Intelligent Investments Limited Privacy Notice

Scope

This Privacy Notice applies to information, including personal information and identification (Collectively "personal data information"), collected about you and processed by **Intelligent Investments Limited (IIL)** as a data user.

Source and Purpose of Information Collected

We collect personal data information about you from a variety of sources, including:

- Information we collect from you directly.
- Information we collect about you when you visit our site or use our services.
- Information we collect about you from other sources, such as commercially available sources.

All of your personal data information that are is retained in our records is solely to comply with our legal obligations under the governing laws and is kept by us for the lawful purpose related to your business activity and our business activity.

Usage of Information

We use the information we collect to provide the services you request, to tell you about other products and services offered by other parties, and to manage our sites and services. All the personal data information we collect about you may be combined to help us tailor our services and communications to you and to provide better quality services.

In general, we do not share your personal information with any third-party, unless we have asked for and obtained your explicit consent or the information is readily available in commercially available sources.

We may share your information:

- With our third-party service providers, including those who work on behalf of IIL and our business partners.
- To protect and defend the right and property of IIL (including enforcing our Terms and Conditions).
- When required by law, and/or public authorities.

If you do not wish to provide your personal information to us, we may not be able to provide the services you request, or to tell you about other products and services offered by IIL.

Access to and Updating of Information

You have the right to request and access your Personal Data information by writing to us and update your personal data information with us.

Important Information

- We are committed to working with our customers to obtain a fair resolution of any complaint or concern about privacy.
- We comply with the PDPA.
- We will cooperate with country data protection authorities if they believe a privacy problem has occurred.
